BLUE VALLEY BEHAVIORAL HEALTH

Description:

Blue Valley Behavioral Health (BVBH) is a private nonprofit organization that provides outpatient behavioral health services which includes Outpatient Mental Health, Substance Abuse, Medication Management and Community Support Services. Our mental health staff actively treat both adults and youth who are experiencing a variety of emotional and/or behavioral difficulties. These mental health issues may include depression, anxiety, anger control, family conflict, childhood disorders along with many other behavioral health areas. Counseling will be provided on an individual, family, group and/or marital basis. Medication Management, Strong Ties Family Support Group and Adult Day Treatment (as available) services are also provided. Our substance abuse staff provide treatment to both adults and youth who experience difficulties with alcohol and/or drugs. Treatment is offered on an individual, family and group basis. Substance Abuse Evaluations and Education Groups are also available. Our community support staff provides case management services to adults who are diagnosed with severe and persistent mental illnesses. Providing these services within a Recovery Focused framework helps people attain a successful outcome in their daily living that is both individualized and specific to their own needs.
